

We need you.....

And your recipes!!!!!!!!!!!!!!!!!!!!!!

The Starclaire Swim Club is publishing a community cookbook filled with the BEST recipes from the BEST cooks in our community! So, we're in search of your favorite recipes – appetizers, beverages, desserts, main courses, etc.....

You'll get to see your name and recipe in print, how cool is that? We know you'll take pride in owning and giving these special cookbooks that you helped to create.

All proceeds from the sales of the cookbooks will go towards pool improvements and swim team resources!
