

For the first time ever!!

New Membership Referral Incentive Program

Things are very exciting around Starclaire Swim & Tennis Club and it just got sweeter for our members. For the first time ever we are offering a member rewards program. You help out the club, and we help out your pocket books!!!

Open to all existing members in good standing starting May 4th 2009 thru June 30th 2009. Any member who signs up a new full year membership is eligible for this incentive program. This program is for the recruitment of new members only. These new memberships may not have been members in the past.

How it all works!

Option # 1 THE BIG PAY OFF

Each new membership you sign up counts for a 25% reduction in your membership dues for the 2010 membership year. This is based on the new members you sign up rejoining the following 2010 year. If they join initially in 2009, then renew in 2010 (paid in full) you will receive your credit in the 2010 membership year. You may sign up as many new members as you wish, but can only receive a maximum benefit of one full year's membership free. Remember, you receive no benefits if the new members don't rejoin in the 2010 membership year, or don't remain in good standing.

Option # 2 INSTANT GRATIFICATION

For each new membership you sign up you will receive a \$25 gift certificate for the snack bar. Limit of four gift certificates per membership.

Qualifying notes!

Program runs from May 4th 2009 till June 30th 2009

You must indicate on membership application somewhere who is to receive the credit for signing the new membership. If there is no name on the application, then you will not receive credit. We will not go back and give credit on an application after it has been received. You may also bring your new members to the open house on May 17th and sign them up in person to get your credit. All applicants are held to the new member policies outlined on the website at www.starclaire.com.

This offer is not valid to board members or any other members of their family. Not valid in the state of RI. Not valid to any member not in good standing. Can not be redeemed for cash.

For the "Big Pay Off Option" this is how you get your money back. On June the 1st 2010 we will cut-off the renewal period. Based on the members you signed up paying their 2010 memberships in full by June 1st 2010, we will send you a check for all the credits you received. This means that in the 2010 membership year you are required to pay your membership in full. As stated above, you will then be sent your membership incentive dollars back to you by June the 15th 2010.
